For the first time ever, people living in the Bahamas get to enjoy the sweet feeling of using what they consider to be a brand-new car: the Tesla Model 3, which was unveiled on Thursday. This is a full length premium and modern off-roading truck that is bound to make all heavy off-roading men jealous and you can park your vehicle within the confines of your home and place it on the designated spot reserved for it. Porsche is setting new standards with the 2017 Panamera Turbo S E-Hybrid. This state-of-the-art Porsche model pays homage to the design lineage of the venerable Porsche Panamera and the 654 HP rear-drive 3.0-liter twin-turbo V8 engine provides energy from regenerative braking using an electric motor.
